NINETIETH ANNUAL REPORT

of the
Board of Managers of the Halifax School for the Blind
For the Year Ended June 30, 1960

Introduction: The President and Members of the Board of Managers submit to the Corporation and to the public of the four Atlantic Provinces this, their Ninetieth Annual Report.

Supervision: As in the past your Board has kept in close touch with the administration of the School and in addition to its regular meetings has paid monthly visits of inspection to residential and school departments.

Property: Our buildings although old have been kept in a state of excellent repair and cleanliness and provided with adequate facilities for the comfortable housing of pupils and staff in residence.

Major structural changes during the year were the renewal of windows and frames in the auditorium, division of one large classroom into two smaller units, and construction of new individual closets and lockers in all boys' dormitories. This work together with complete refurnishing of six rooms in the girls' residence made up the major portion of repair costs for the year.

Health and Safety: A matter of primary concern is the health and safety of the children in our care. This year a representative of the Nutrition Division of the Department of Public Health who was invited to inspect the kitchen and dining-rooms as well as the weekly menus and the preparation and handling of food, expressed thorough satisfaction with these and with the efforts made to improve the eating habits of the children.

The pupils' general health is under the direct supervision of our two nurses and two attending physicians, Drs. Donald I. Rice and W. Tucker.

During the past year the 154 pupils enrolled received over seven thousand individual services from the School dispensary, the majority of these being medication for minor injuries or ailments, nutritional supplements, and general physical or dental examinations.

These, together with the complete inoculation programme provided by the Health Department of the City of Halifax, are perhaps largely responsible for the fact that ward cases for the entire year were confined almost entirely to colds and convalescents from tonsillectomies and eye operations.

Eye care and sight conservation are an important part of the health programme of an institution such as ours and the weekly eye clinics have been conducted as in former years by Dr. A. Ernest Doull. Eye examinations for the year totalled one hundred and twenty-nine. Of these nineteen were provided with glasses or changes in lens prescription, eight given surgical treatment, and thirty-two other forms of treatment or medication.

Members of the Fire Prevention Division of the Halifax Fire Department have paid their usual visits of inspection and report that protective measures are up to the standards required for an institution of this sort. The Superintendent reports that recent improvements in fire drill procedure have made possible a more thorough and quicker check of all personnel after evacuation of the buildings.

Staff: Among resignations from the Teaching Staff at the close of the year were those of Miss J. Mac MacNeil, Head of the Music Department, Miss Elizabeth Allison, and Miss Georgie Bradshaw, all of whom retired after their full term of service. Our Board extends to these ladies its sincere

gratitude for the unsparing service they have given over the years, and wishes them a long and happy retirement.

Further details concerning changes in teaching staff and school programme will be found in the Superintendent's report.

Acknowledgements: The debt which the School owes to organizations and individuals for their interest, expressed in financial contributions and voluntary personal service, has grown far beyond the point where detailed acknowledgement can be made in a report of this sort. It can be said however that every phase of the School's athletic and social life and much of the success of our high-school and university students with their studies, is dependent on this generous assistance, and our students benefit not only from the projects themselves, but from the association with those who carry them out.

The Board gratefully acknowledges the following bequests:

Estate Sara Cock, Truro, N. S.	\$ 1,131.10
Estate John P. Moti, Halifax.	537.67
Estate James G. Thomson, Halifax.	294 1¢
Estate John F. Grant, Enfield, N. S.	200 00
Estate Helen Elmore Dauphinee, Halifax.	100 00
Estate Herbert H. Godsoe, Fairview, N. S.	100 00

In closing, the Board extends its warmest thanks to the staff members in all departments for the spirit in which they have carried out their duties and for the extra effort and thought they have contributed toward maintaining a happy home-like atmosphere in our School.

J. A. Walker,
President, Board of Managers,
Halifax School for the Blind.

Halifax, N. S.

Susan Small

Superintendent's Report

Mr. J. A. Walker, Q. C.,
President, Board of Managers,
Halifax School for the Blind,
Halifax, N. S.

Sir:

The following report on the programme and activities of the School is submitted for the year ended June 30, 1960.

Several changes were made in the teaching programme at the School at the beginning of the term. One was to extend the teaching of French, formerly begun in Grade Seven, down to and including Grade Four, with the emphasis in these three lower grades placed on practical use of the language rather than on grammar and composition. A further extension is planned for the coming year to include all grades from Kindergarten on.

Another extension has been in the field of special classes. Testing showed that at least forty per cent of the pupils enrolled required training which could not be given in regular classes, and two auxiliary classes were added to the one already in operation and a department in this field created under the direction of Mrs. Anne Miller, a senior member of the teaching staff.

The problem of teacher training in our special field has always been a serious one in this area and this year a step was taken toward solving this by the introduction of a short intensive course for new staff members which was held during the two weeks immediately preceding the opening of School. This appears to have been successful in reducing the adjustment teachers must make when entering this field from public schools, and our intention is to continue this and extend it into a full year's course of in-service training.

Through co-operation with the Maritime School of Social Work a counselling programme was also introduced this year, this being carried out by two graduate student social workers with practical experience, under joint direction of a faculty member of the Maritime School and your Superintendent. This has been an experiment which it is hoped will be beneficial to both institutions and present plans are to continue it for at least two more years.

As in the past, much of the success of our school programme depends on the help we receive from certain volunteer groups outside the School. This year in addition to reading to high school and university students the members of the Junior League formed a Work-shop Committee, whose first project was to supply our hospital department with toys and models for young convalescents. Their second project was much more ambitious, but one which if successful, will solve one of the most acute problems in our teaching programme—that of obtaining an adequate supply of relief maps for geography classes. For some years the supply of these has been extremely meagre both in quantity and variety, and if—as seems probable—the Junior League Work-shop Committee is successful in constructing models from which such maps can be made, our students will probably have the most complete sets of individual desk maps of any school on the Continent.

One change in the study methods of our senior students this year has been the greatly increased use of tape-recorders. These have been used to a limited extent for the past several years to record text material read by volunteer readers and have so proved their value that now most of our university students and several in high school grades have purchased their own machines. In addition to these are two which belong to the School and which are available to any who need them.

Of 10 high school students who wrote Atlantic Provinces Board Examinations this year 4 obtained their certificates and 4 received partial grades.

Our 4 university students were successful in all their examinations and one, Donald Keeping of Newfoundland, was awarded a scholarship as a result of his marks.

Distribution of books from the Braille Library totalled 640 volumes. There were 30 readers in the School and 13 outside readers, of whom 3 read periodicals only.

Twenty-eight students received instruction in Pianoforte, two in Vocal and six in Tuning. In addition, the majority of intermediate and senior students received regular instruction in choral singing.

Instruction in "print" typing was given to twenty-five students during the year, each student receiving from three to six hours per week on this subject.

New to our teaching staff this year were the following: Mr. F. P. Brooks, Miss Marjorie Campbell, Mrs. Thelma Colbourne, Miss Loretta Gallant, Mr. T. S. MacDonald, Mr. Forman Nickerson, Miss Lenora Pitcher, Mrs. Leonie Poirier, Mrs. Ella M. Sorensen, Mr. J. R. Thompson and Mr. Ben Vanderwoerd.

During the year there were 154 pupils enrolled and in attendance for the whole or some part of the term. They were distributed geographically as follows:

	Boys	Girls
Nova Scotia.....	38	29
New Brunswick.....	22	27
Newfoundland.....	17	13
Prince Edward Island.....	5	2
Quebec.....	1	0
	—	—
Totals.....	83	71
Grand Total.....		

Twenty-five entered as new pupils during the year and were distributed as follows:

	Boys	Girls
Nova Scotia.....	8	4
New Brunswick.....	4	3
Newfoundland.....	4	0
Prince Edward Island.....	0	1
Quebec.....	1	0
Totals.....	17	8
Grand Total.....		

25

Twenty-six from the preceding year, 1958-59, graduated or remained at home:

	Boys	Girls
Nova Scotia.....	7	6
New Brunswick.....	3	2
Newfoundland.....	5	2
Quebec.....	1	0
Totals.....	16	10
Grand Total.....		

26

Students were distributed in classes as follows:

	Boys	Girls
Grade XII.....	3	1
Grade XI.....	2	7
Grade X.....	5	3
Grade IX.....	5	9
Grade VIII.....	6	10
Grade VII.....	9	6
Grade VIIB.....	10	0
Grade VI.....	3	8
Grade V.....	2	6
Grade IV.....	5	4
Grade III.....	5	1
Grade II.....	4	0
Grade I.....	1	2
Auxiliary Class A.....	6	5
Auxiliary Class B.....	9	5
Kindergarten.....	8	4
Totals.....	83	71
Grand Total.....		

154

Pupils were enrolled in various types of handicrafts as follows:

Knitting	43	Leather Work	40
Hand Sewing	37	Chair Seating	33
Machine Sewing	26	Woodwork	28
Crocheting	31	Basketry	15
Toy Making	12	Mat Making	6

In conclusion I should like to say that the warm personal interest and participation which the members of your Board gives to so many of our school activities is deeply appreciated by both pupils and staff and on their behalf, I extend our sincere thanks.

Respectfully submitted,

C. R. K. Allen,
Superintendent.

Dramatic Club in Action

HALIFAX SCHOOL FOR THE BLIND

General Information

Territory: While known as the Halifax School for the Blind, this school really serves the blind and partially seeing of the Maritime Provinces and Newfoundland.

Eligibility for Admission: Any person resident within the above mentioned territory, between the ages of six and twenty-one years, who has insufficient sight to make proper use of the public schools, who has sufficient mentality to benefit by literary or industrial training, and who is of good moral character is eligible as a pupil. Special arrangements may be made for the admission of worthy and otherwise desirable applicants over the age of twenty-one.

While it is desirable that pupils should begin work at the opening of the school in September or January, pupils may be admitted at any time by special arrangement.

Expense: To pupils having a legal settlement in Nova Scotia or New Brunswick the School is absolutely free as to board, lodging, laundry and training. Pupils are expected to pay their own travelling expenses and supply their own clothing and smaller personal needs. Pupils residing in Newfoundland should apply to the Canadian National Institute for the Blind, St. John's, and those in Prince Edward Island to their local government representative.

Housing: Our pupils and staff are housed in comfortable buildings, hot water heated and electric lighted. Every precaution is taken against fire menace including complete sprinkler system, fire-proofed furnace-room, and a regularly employed watchman who patrols all parts of the buildings every hour of the night.

Health: The health of the pupils is under the care of a permanent resident nurse and assistant, and a regular

visiting physician. In addition the School has the services of two expert oculists, and every effort is made not only to safeguard, but to improve as far as possible, the amount of vision possessed by some of our pupils.

Religious Advantages: The School is positively non-sectarian. Pupils are required to attend in supervised groups the services of city churches representing the denomination stated on the original application forms, and no deviation is allowed from this policy except on written request of parents or guardians. Religious instruction in Sunday School classes is carried on by volunteer workers from the pupils' own churches, and every effort is made to facilitate the performance of the religious duties of all pupils in their chosen creed.

Educational Training: The educational system of the School falls into four departments—Literary, Music, Tuning and Manual Training.

Literary: In the Literary Department the entire regular school course is covered from kindergarten to the end of Grade Ten. Pupils who wish to continue their Senior High School Course are accepted for Grades Eleven and Twelve by the City High Schools. In addition pupils are given a course in practical typewriting. While many of our pupils are taught to read and write Braille (the raised point system used by the blind) those whose degree of sight warrants it are permitted a limited use of ink print and pencil work.

Music: In the Music Department pupils receive thorough training in piano music, a limited number receive individual vocal instruction, and selected pupils instruction in playing the pipe organ. Diplomas or certificates are given in accordance with the work covered. Regular and efficient classes in chorus singing are conducted for both older and younger pupils.

Tuning: Instruction in this highly-skilled profession is given to a selected group of senior students. Opportunities for employment in this field are excellent at present, and it is one of the few occupations at which the blind are on equal footing with the seeing.

Manual Training: In the Manual Training Department instruction is given in woodwork, cane-seating, reed basketry, rug-weaving, sewing and knitting. Certificates are granted to graduates in accordance with the courses covered.

Maintenance: The School is maintained by per capita grants from the three Maritime Provinces and Newfoundland, by the income from a small endowment, and by public donations.

Management: The affairs of the School are under the direction of a board of twelve members, which holds regular monthly meetings and the members of which take a keen personal interest in the welfare of the institution and its pupils. The Premiers of the four Atlantic Provinces are ex-officio members. The School's finances are kept by modern business-like methods, are audited annually by a chartered accountant, and the financial statement published in the regular annual reports. Visitors are invited to inspect the School at any time, and a keener interest on the part of the public is solicited.

C. R. K. ALLEN,
Superintendent.

D. F. C. Burton, C.A.,
Treasurer.

TO: Board of Managers,
Halifax School for the Blind.

I have examined the Balance Sheet of the School for the Blind as at June 30th, 1960, and the Statement of Income and Expenditure for the year ended on that date. My examination included general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion the accompanying Balance Sheet and Statement of Income and Expenditure present fairly the financial position of the School, as on June 30, 1960, and the results of its operations for the year ended on that date.

November 8, 1960,
Halifax, N. S.

W. A. STECH, C.A., Auditor.

A BRIEF MEMORANDUM CONCERNING CERTAIN FUNDS CONNECTED WITH THE HALIFAX SCHOOL FOR THE BLIND

The Blind Endowment Fund

This fund was established early in 1917 for the purpose of creating supplementary annual income for the work of the Halifax School for the Blind and for the various enterprises in connection with the adult blind of the Maritime Provinces and Newfoundland.

The Trustees are the President and Treasurer of the Halifax School for the Blind and the Eastern Trust Company.

The Capital Investments at September 30, 1960, amounted to \$60,979.25, and the gross income for the year ended September 30, 1960, was \$2,982.20.

The entire income is distributed quarterly as follows:

The Halifax School for the Blind.	45%
The Canadian Printing House for the Blind.	5%
The Home Teaching Fund.	25%
The Maritime Foundation for the Blind.	20%
The Scholarships and Grants Fund.	5%

The Canadian Printing House for the Blind

This fund is one of the subsidiary funds of the Blind Endowment Fund and was established at the same date as the main fund. Its sole source of income is the five per cent of the income from the Endowment Fund. This income is kept in a savings account at the Bank of Nova Scotia and cheques are drawn on this account for the payment of bills in connection with the printing of Braille literature.

Balance on hand, June 30, 1959.	461.03
Receipts, year ended June 30, 1960.	132.40
Expenditures, year ended June 30, 1960.	40.25
Balance on hand, June 30, 1960.	553.18

The Scholarships and Grants Fund

This fund bears the same relation to the Blind Endowment Fund as does the Printing Fund. Its sole source of income is the five per cent of the income from the Endowment Fund. This income is kept in a savings account at the Bank of Nova Scotia and on it cheques are drawn for the assistance of blind students who are seeking higher education beyond that received at the School for the Blind.

Balance on hand, June 30, 1959.....	255.85
Receipts, year ended June 30, 1960.....	290.15
Expenditures, year ended June 30, 1960.....	312.22
Balance on hand, June 30, 1960.....	233.78

The Home-teaching Fund

This fund was established early in the year 1893 for the purpose of creating an annual income to be used in the work of home-teaching in the Maritime Provinces and Newfoundland. Collections were made from the public of this territory from May 26, 1893, to August 15, 1917. The Board of Managers of the Halifax School for the Blind are the trustees of the Fund, and the capital securities are deposited with the Eastern Trust Company. The value of these securities as at June 30, 1959, was \$19,182.75.

In addition to the income from the funds under its own name, the Home-Teaching Fund receives 25 per cent of the annual income from the Blind Endowment Fund, (see above); and by an agreement entered into October 1, 1919, the entire annual income from both sources is paid over from time to time to the Canadian National Institute for the Blind for the carrying on of home-teaching in the Maritime Provinces and Newfoundland. The income is kept as a savings account at the Bank of Nova Scotia.

Balance on hand (Income Account), June 30, 1959...	490.53
Receipts, June 30, 1959 to June 30, 1960 (Income from Investments).....	1,615.82
Paid out, June 30, 1959 to June 30 1960 (Canadian National Institute for the Blind.....	1,600.00
Balance on hand, June 30, 1960.....	506.35
